## PRIMETIME SKIN CREAM

WITH ASTAXANTHIN AND CHLORELLA GROWTH FACTOR

**NON-GMO / NO PARABENS / CERTIFIED GLUTEN-FREE**

**SUN CHLORELLA HARNESSES THE UNIQUE POWERS OF CGF**

## Your Ultimate Natural Skin Care Product

Finding natural skin care is all too easy. But how often do you see results? Unfortunately, many natural skin care products lack essential nutrients and contain harmful chemicals that can clog pores and dry out the skin, leaving it worse off than it was before.

But there is a solution and we are the first to bring it to North America!

“

### Unlike Anything Else You've Ever Tried

*“A combination of a unique extract called Chlorella Growth Factor (CGF) and a powerful antioxidant called astaxanthin in Astarella Primetime Skin Cream work together to hydrate the skin like nothing else you've ever tried.”*

# PRIMETIME SKIN CREAM WITH ASTAXANTHIN AND CHLORELLA GROWTH FACTOR

## Astorella® Primetime Skin Cream: Discover Natural Skin Care That Gets Remarkable Results

As the brand you have trusted since 1969, we were the first to bring two synergistic ingredients in one cream for the ultimate skin nutrition: astaxanthin and Chlorella Growth Factor (CGF) in Astorella® Primetime Skin Cream! This all natural, hydrating cream is richer in antioxidants than both vitamin E and C for firm, supple and dewy looking skin.

Astorella® Primetime Skin Cream takes advantage of the antioxidants and nucleopeptide complex found in these ingredients and combines them with the moisturizing benefits of jojoba and shea butter to improve skin suppleness and radiant looking skin.

## Naturally Fight The Appearance and Signs of Aging

Astorella® Primetime Skin Cream contains all-natural ingredients that provides an active, synergistic skin cream full of antioxidants, amino acids, essential fatty acids and nucleopeptides, which allow your skin to look hydrated, rejuvenated and glow.

## Improve Your Skin With Astorella® Primetime Skin Cream

To provide the most pure skin care formula possible, Astorella® Primetime Skin Cream has no gluten, parabens, sulfates, artificial fragrances, colors and dyes. Astorella® Primetime Skin Cream is suitable for all skin types and can be applied anywhere you wish to see healthy and brighter looking skin. By applying Astorella® Primetime Skin Cream regularly, you'll be providing your skin with nutrition, which may help reduce the appearance of fine lines and wrinkles. For best results, apply daily.

### Revitalize With Astaxanthin

Astaxanthin is a natural carotenoid found in marine microalgae, and is richer in antioxidants than both vitamin E and C. Its antioxidant content encourages the appearance of brighter, youthful looking skin.

### Firm and Protect With Jojoba Oil

Jojoba is well known for being rich in the antioxidant vitamin E, which helps promote skin's elasticity. Vitamin E also helps nourish your skin that can take a beating from the exposure to toxins in our daily environment, while helping to reduce the appearance of fine lines and wrinkles.

### Soften With Meadowfoam Seed Oil

Meadowfoam seed oil helps to prevent dryness by locking in skin's natural moisture. Its high fatty acid content offers the necessary nutrition for soft, silky looking skin.

### Regenerate With Chlorella Growth Factor (CGF)

Chlorella Growth Factor is the unique nutrient found in chlorella, a single-celled green algae, that's rich in nucleic acids and amino acids. Nucleic acids such as RNA and DNA are a must-have ingredient to help your skin appear healthy and rejuvenated, while amino acids encourage the appearance of smooth, youthful looking skin.

### Hydrate With Shea Butter

Shea butter works to improve the appearance of skin with rich fatty acid content and antioxidant vitamins A and E. Fatty acids help keep skin looking plump, hydrated, and youthful.
