

# SUN·CHLORELLA® powder

## WHAT IS CHLORELLA?

Chlorella is a fresh-water green algae that provides many naturally occurring vitamins (like D and Active B<sub>12</sub>), minerals, and more chlorophyll than most plants or foods. Aside from supporting your overall health, chlorella helps support the body's immune system, natural detoxification process, muscle recovery after exercise, endurance and more\*. Our high-quality manufacturing process—cell wall pulverization by DYNO®-Mill— ensures one of the most digestible chlorella on the market.

### Sun Chlorella® Comes in Two Convenient Box Sizes

**30-Packet Box**  
(6 g/packet)

**10-Packet Box**  
(6 g/packet)

## SUN CHLORELLA® POWDER IS THE ONLY CHLORELLA BRAND THAT IS NSF CERTIFIED FOR SPORT® AND INFORMED SPORT CERTIFIED!

NSF International Certified for Sport® and Informed Sports Certified are programs that were created to meet the growing demands of athletes, coaches and all those concerned about banned substances in sports supplements. Certified supplements must meet rigorous standards that include comprehensive lab testing and extensive evaluation of the manufacturing process to ensure contaminated substances or hidden ingredients including over 270 banned substances are not added to a product. Sun Chlorella® Powder provides athletes with a clean and safe product that assists with their training and recovery.

### Contains no binders, fillers, preservatives, yeast, artificial colors or flavors!

- ▶ Soy Free
- ▶ Vegan
- ▶ NSF Certified for Sport®
- ▶ Non-GMO
- ▶ Gluten-Free
- ▶ Informed Sport Certified

## WHY ATHLETES TAKE SUN CHLORELLA® POWDER

### CHLOROPHYLL

Chlorophyll helps the body's natural detoxification process. It can help to keep the body running at its peak performance and maintain an overall well-being\*

### CHLORELLA GROWTH FACTOR (CGF)

Chlorella Growth Factor (CGF) helps the body's natural cellular repair process. It helps regenerate cells and muscle tissue, reducing recovery time post workout\*

### VITAMIN D

One serving of Sun Chlorella® meets the daily recommended value of vitamin D, which supports immune function and muscle health\*

### ACTIVE VITAMIN B<sub>12</sub>

Active Vitamin B<sub>12</sub> helps boost energy levels to help the body perform optimally\*

### IRON

Iron is responsible for producing red blood cells and for keeping the body in good health by carrying oxygen to muscles\*
