

SUN PET TREATS

Sun Pet Treats: Superfood Treat for Dogs & Cats

Revitalize and Rejuvenate

Give furry friends the love and care they deserve with delicious and nutritious Sun Pet Treats. Combining the health benefits of chlorella and the adaptogenic properties of Eleuthero, Sun Pet Treats provide pets with the support they need for a happy and healthy life. Packed with over 30 vitamins and minerals, Sun Pet Treats ensure the highest quality daily nutrition for pets. Simply add to a pet's diet to enrich their health and well-being.

Sun Pet Treats are vet-approved, plant-based, Non-GMO Project Verified, and Certified Gluten-Free, providing pets with the highest quality nutrition.

Naturally Unique

Our exclusive chlorella pulverized by DYNO®-Mill technology makes the nutrients in Sun Pet Treats more bio-available than other chlorella brands. Each tablet contains Chlorella Growth Factor (CGF) to help nourish and energize pets while supporting healthy digestion. CGF is a unique powerhouse of goodness not found in any other vitamin, mineral, herb, or food. It includes beneficial amino acids, vitamins, peptides, polysaccharides, and nucleic acids.

The Power of Eleuthero & Lecithin

Our unique rejuvenating formula includes adaptogenic properties that support immune health and energy levels in pets, along with lecithin to promote healthy skin and a shiny coat.

Key Features:

- Balanced whole food nutrition
- Supports normal digestion
- Promote shiny coat
- Immune support
- Contains Protein, Magnesium, Fiber and Calcium
- Veterinarian approved
