Only the highest quality ingredients sourced from Japan.

Sun CGF Cream

Deep, Long-Lasting Hydration Powered by Chlorella Growth Factor (CGF)

Formulated with 20% Chlorella Pyrenoidosa Extract, a natural source of Chlorella Growth Factor (CGF) - a concentrated complex of amino acids, peptides, vitamins, and nucleic acids found within chlorella. This cream delivers intensive hydration while helping support skin's natural renewal process for a smoother, more refined appearance from morning to night.

Why CGF?

Chlorella Growth Factor (CGF) is a naturally ocurring complex found within chlorella that contains amino acids, peptides, vitamins, and nucleic acids. In topical care CGF helps support skin's natural renewal process, while contributing to hydration, comfort, and overall skin resilience for a smoother, healthier-looking complexion.

Strengthens the Skin Barrier with Clean, Effective Emollients

Formulated with squalane, macadamia esters, and plant-derived oils that help reinforce the moisture barrier, reduce transepidermal water loss, and support skin comfort and resilience when exposed to dryness and everyday environmental stressors.

Smooth, Non-Greasy Texture for All Skin Types

Lightweight yet deeply nourishing. Absorbs quickly without residue, making it ideal for daily use on dry, normal, combination, or sensitive skin.

Modern, Gentle Formula — Paraben-Free & Globally Compliant

No parabens. No harsh extracts. Designed for stability, comfort, and everyday use.

Supports Radiant, Healthy-Looking Skin

Hydrolyzed royal jelly protein and multi-layered moisturizers help improve skin texture, softness, and luminosity for a naturally refreshed appearance.

- 20% Chlorella Growth Factor
- Multi-humectant moisture system
